NOTICE TO ALL STATE & FEDERAL ELECTED OFFICIALS

We, the electorate of Eastern Washington, request that you hold frequent and well-advertised public meetings within your district, to address the concerns of the citizens. We are retirees, the unemployed, low income, and cannot afford to attend dinners at Country Clubs with suggested honorariums of \$100 a plate. These meetings should be listening sessions so you can fully understand the local impacts of spending, taxation, and increased fees, laws, illegal immigration, state/federal mandates, the massive deficits, the housing collapse, and the costs of the never ending no-win wars of this nation.
